Are You Interested in Joining the BAA Executive Board? Here Are The Current Requirements:

The activities of the association shall be directed by a Board of Directors consisting of twelve (12) members, which shall include seven (7) directors, four (4) officers and one (1) commissioner appointed by the eleven (11) persons elected at the annual elections. At least three (3) and at most four (4) directors shall be elected each year for a two (2) year term. Officers of the association shall be: President, Vice President, Treasurer, and Secretary. The officers shall be elected each year for a one (1) year term. All elections will take place following the September General Membership meeting. No officer or director shall be eligible for more than two (2) consecutive terms in their current position unless at least two-thirds (2/3) of the voting membership present nominates that person for a successive term. Any member who has served more than on-half (1/2) a term in any office shall be deemed to have served a full term.

BAA Director Voting and Eligibility Requirements:

Elections of officers will be yearly and directors will be bi-yearly, following the September General Membership Meeting. The ballot format will be used if more than one (1) person is running for the same position. A majority vote, from the eligible members present, will rule (a majority consists of one more than one half of those eligible members present) and all blank ballots will not be counted. Only eligible members can vote. To be eligible to vote in the annual elections a member must have attended at least three (3) General Membership meetings, prior to the elections and within the current BAA year. To run for a position on the Board of Directors as a Director, a member must have attended a minimum of five (5) General Membership meetings prior to elections and also within the current BAA year. To be eligible to hold the office of President, Vice President, or Treasurer of the association, a member must have attended a minimum of five (5) General membership meetings and must have also served on the BAA Board for a minimum of one (1) year. That service must have occurred within the last three (3) calendar years, starting with the current year. General Membership meetings will be held the first Sunday of each month.
